LETTER TO OTHER RELIGIOUS LEADERS AND ELECTED OFFICIALS.

May 12, 2023

Dear Pastors, Church Leaders and Elected Officials,

We are partnering with the Boston Police Department and MAMLEO to provide an **ACTIVE SHOOTER TRAINING** at our church, i.e., Global Ministries Christian Church, 670 Washington Street, Dorchester, MA. 02124 on Saturday, June 10, 2023, from 12:00 PM. to 1:30 PM.

This training is for our church leaders but we also want to invite church leaders from our houses of worship and our elected officials. The religious leaders can attend this training and determine if they would like to have **this same training in their church, mosque, synagogue or temple.**

Moreover, the elected officials could let the religious leaders, that they represent, know about the training and recommend that they contact the Boston Police if they would want the same training for their house of worship.

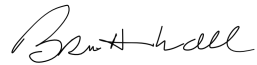

It is important that we prepare our church and offer the same training to other religious leaders in Boston. This could very well be a life saving training for all of us in attendance.

The lives and well being of our children, members and visitors should be one of our top priorities.

Page 2 of 2

If you plan to attend please email us at bostonblacknews@gmail.com or call us at 617-282-0685 and let us know that you will attend this training so we will know how many of our church leaders, members and elected officials will be present.

Looking forward to all of us preparing and equipping ourselves to be an effective church for the times we are currently living in.

A handwritten signature in cursive script that reads "Bruce Wall".

Pastor Bruce Wall
Senior Pastor
